

PINEHURST

UNITED METHODIST CHURCH

Children's Choirs

Tracy is *so committed* to the importance of getting your children into a choir as early as possible. They not only learn great songs, they will learn all about what God is like and can mean to them for the rest of their lives. Our leaders use fun, energetic rehearsals to keep the children interested. These choirs are integrated into the Sunday afternoon mission groups for kids. There are two groups for different ages. They sing in church services and do an end of year concert in May.
