GLOW stands for Go Love Others in the World. The GLOW Kids program provides children age 3 - Kindergarten with the opportunity to learn about God's expectations for them and to touch the lives of others. Through this program, some of our youngest children learn that they, too, can change the world! Each month, GLOW Kids work with their leaders to learn about virtues such as patience, generosity, and initiative through fun activities and fellowship. These virtues and friendships serve as a foundation for the group as they perform hands-on missions in the world.

A children's choir is incorporated into this GLOW Kids time as well.

Don't let anyone look down on you because you are young. -1 Timothy 4:12
