

PINEHURST

UNITED METHODIST CHURCH

Worship Choirs

Each traditional service (8:15 and 11:00 am) have their own choir, but we join together once a month to do something extra special. Excellence, Variety and Fun are always our aim as we work hard to celebrate and adore the great God of music and of our lives. There is something different every Sunday as we sing traditional anthems, southern gospel, spirituals, ballads and anything else we can find. The choir comes down after they sing so that they can worship with their families.
