

Why do you call it “Worship+2” if you’re only asking me to take *one* new step...?

Because Worship+2 stands for Worship + Grow + Serve. We believe the path to following Jesus involves worshipping God, growing in our knowledge of God, and serving our neighbor.

But I’m already doing so much! Is this still for me?

Absolutely! The last thing we want is to create more busy-ness! For many people Worship+2 means doing something new (a.k.a. adding). For others, it means doing something different – letting go of something you’re currently doing, so you can do something else. For others, it means doing what you’re already doing – but in a different way. Maybe you already have a daily quiet time, but now you want to add reflective journaling to your rhythm. Or maybe you already serve at the free clinic, but now you want to bring a friend with you. Whether you do one new thing, do something different, or do the same thing – just with more intentionality – we know there’s a way you can take the next step.

I’ve signed up to take a new step already. What do you want me to do now?

Post a picture of you doing that thing! Share your pictures on Instagram or Facebook and tag the church. Send us a quote about how this new step is already changing things for you. Let us know if you’d like to offer a testimony during worship. Spread the word!

Worship+2, Worship+2...I’ll be really glad when this Worship+2 thing is over. This is just a one-time thing, right?

Sorry, but you can’t ride this one out. :-) Worship+2 is the new culture at our church. It’s just the way our family operates. We believe Jesus is calling each of us to grow, every day, no matter how old or young we are. There is always a new step we can take in following him. So, get ready, because you’ll be hearing more about Worship+2 throughout the year!
